

YOU CAN HELP.

See which level of involvement is best for you.
100% of donations go directly to clean water projects and hygiene education.

Join ONE Tribe

Sign up for small monthly donations that we pool together with others' gifts. Many small gifts have a huge impact. A gift of \$25 provides clean drinking water for one person - permanently!

Start your own campaign

At myhumanityproject.org we'll help you start a campaign to raise funds for a new project. Mobilize your friends, family, and community to transform and save lives.

Fund a project immediately

Already have the funds and want to sponsor a project outright? Let's talk!

Hydrating Humanity Inc. is a registered 501c3; contributions are tax deductible.

Over 660,000,000 people have no access to a safe water source, and many have never learned basic hygiene practices that could prevent the spread of waterborne death and illness.
